Improving our school

The last ten weeks have seen lots of changes at Ryecroft. We are working at a lightening pace to improve the school and give the children a quality education.

The teaching team has been strengthened by welcoming two new teachers to school. Miss Stacey has taken charge of Year 5 and will work closely with Miss Henry to allow the pupils to make rapid progress.

Miss Huang will take over the Year 2 class on Monday until the end of the year.

Northern Education Trust is working hard to support the school and have established new effective systems to ensure children achieve excellent results.

The Trust has surveyed the building and is going to carry out essential maintenance work, to improve the building.

A parents' update on progress will be held at 5.30pm, before the Christmas shows on Tuesday 5th and Wednesday 6th December.
