

Topic Week at Ryecroft

This week has been very busy with lots of children learning about different things. The week has been based on History and Geography skills. Our younger children were learning about Victorian toys and visited a museum in Leeds. Here they experienced playing with toys from the past and dressed up. Other topics throughout the school included Rainforests, Chivalry and Survival.

Toy workshop

Reading in school

We have been given some extra funds to enhance our reading books. Please will you return all reading books so that we can audit our books.

Next half term we will hold a session for parents, supporting them with listening to your child read.

Prizes will be awarded for children who read regularly and improve their understanding of what they have read.

Twitter

We are relaunching our Twitter account at Ryecroft.

Please follow us at @ryecroftacad

You can also retweet our posts to help us put the word out about our school.

Golden Rules Certificates

RSH – Isabella

RSM – Caileb

1VM – Harvey

The current leaders for the attendance prize are 6RGM

Holiday challenge

Shopping

Give your child some coins and prices of things and ask them to add up totals and work out the change.

Reading

Pick up some leaflets and read them together, asking questions about what they have read.

Improving vocabulary

Discuss the photo and describe it.

Use the following words:

Illuminated, scenic, vibrant, idyllic, picturesque, breathtaking
