

Is your child entitled to Free School Meals but is not registered? Did you know that each child eligible for Free School Meals brings in £1,320 per year extra funding to support teaching and learning? Read on for further information!

OFSTED Monitoring Visit

On 13 December 2017, we welcomed Her Majesty's Inspector (HMI) Phil Riozzi into school for the second monitoring inspection visit at Ryecroft.

We have attached a copy of the inspection letter to this newsletter so that you are up-to-date with the developments made.

Mr. Riozzi was of the opinion that leaders and managers are taking effective action towards the removal of Special Measures.

We wish to thank you for your continued support and appreciate all feedback.

Do you have a 2 year old?

We currently have places in our two year old provision. If you are eligible, your child could receive 15 hours free nursery.

American Themed School Lunch – Menu overleaf

On Thursday 18 January 2018, to celebrate Martin Luther King Day, the school kitchen will be hosting an American-themed day. This also coincides with the school Census day where we count children who are entitled to Pupil Premium funding and the number of children who have a school lunch. This is an important time of the year as this directly affects our school budget. More children who access a school lunch and receive Pupil Premium Funding means that we get more government funding to support teaching and learning. This directly affects your child's education so your support in this would be much appreciated.

Please come to the academy office to discuss eligibility for Free School Meals and to sign your child(ren) up for this.

The deadline to confirm a school lunch on the American Day is Wednesday 17 January 2018. Please inform your child's class teacher or via the office.
