

Scientists of the future!

Year 6 attended a sponsored day out to Bradford's Media Museum this week. The event was sponsored by the Ogden Trust and the aim was to encourage a wide variety of people into the world of science.

The workshops talked about aspirations and also challenged the stereotypes of the mad professors in science.

The engaging workshops explored the world of physics with children able to see x ray machines, light experiments and even made a human electrical circuit.

The highlight of the visit was watching a film in the IMAX cinema. The Year 6 pupils were extremely well behaved and a credit to Ryecroft.

Spanish lessons in school

This week Mr Wood has been teaching Key Stage 2 children more Spanish conversation. This builds on the work of last term when the children learnt some Spanish with a visiting teacher. The children were fully engaged and enjoyed the activities to help them remember the vocabulary.

Christmas dates

School Christmas Dinner 10th December 2018

Christmas Jumper Day 10th December 2018

Y3/4 Christmas Assembly 11th December 2018 - 2pm

Wednesday 19th December
School reopens Thursday
3rd January**

Staffing update

We are sad to announce that Mr Sykes will leave Ryecroft at Christmas. Mr Cairns will take the class in January as an experienced Year 5 teacher.

We would like to thank Mr Sykes for his time at Ryecroft and wish him well.

Golden Rules Certificates

RSH – Shannell

1SB- Mia

1/2 VB –John-Joe

2LM – Amelia

3EH – Kye

3/4 SK – Oliver

4RE – Nadia

5NS – Zachary

5/6 RGM –Demi-Leigh

6LT – Jennifer

Attendance League winners this week are:

1st Place – 4RE – 98.09%

2nd Place – 5NS – 97.33%

3rd Place – 2LM – 96.58%
