

19th July 2018

Dear all,

I write firstly to say a huge 'thank you' to all of you who were able to come and support our Sports Days on Tuesday. The event was a big success and this was partly because so many of you were there to enjoy it.

It was good to be able to spend time talking with so many of you. I had many encouraging conversations and it was clear to me that there is a lot of positivity toward school at the moment. It was also clear that there are a number of you who are wanting to get more involved in school life and are willing to give up your time to help.

With this in mind I am wanting to start a 'Friends of Ryecroft' group in school. This would be made up of parents, carers, grandparents etc who are wanting to have an impact on school social events and fund-raising activities.

If this is something that you feel you would be interested in then could you please send in the slip below so that I can get an idea of numbers. I would then look to arrange a meeting early next year.

Thanks again for your continued support,

Mr A Wood
