

Helping Families at Christmas Time

Do you know any families struggling to buy food or presents this Christmas time? The Salvation Army, based in Holmewood are donating food and presents to families in need.

If you know of someone that would benefit from some help, please contact Mrs Tolan via the school office.
We would like all families to be able to celebrate the festive period.

Book Sale and craft evening

It was great to see so many families attend our book sale and craft evening. The children had a great time decorating biscuits and making some reindeer food. We hope to run similar events in the Spring term. Thank you to all parents who attended.

Christmas Performances

Thank you to all parents and grandparents who took the time to come to see the children perform this week. We are working to get some photos and videos on to our website by next Wednesday.
