

Updating Information

On May 25th 2018 the General Data Protection Regulation will come into effect across the EU. It is a new law that is being implemented in exactly the same way across all EU countries to create a level set of rules to ensure all data held and processed by organisations within the EU is secure and processed lawfully.

Public organisations, schools (and academies) are required to comply with GDPR. At Ryecroft Primary Academy we have been working on our GDPR readiness. We have:

- Made everyone on the staff aware – all the way up to our governors.
- Held staff training
- Have explored how we can monitor data protection across the schools within Northern Education Trust

The process of becoming fully GDPR compliant will be a long one because it affects all aspects of the school. We do already have strong Data Protection policies and protections but these now all need to be updated in line with GDPR.

We are working on our practice to ensure that GDPR is central to our day-to-day culture. We already highly value and protect all of our pupil, parent and staff data and will continue to do so in the presence of GDPR.

As a parent/carer you may receive some letters from us regarding GDPR. Some of those may be about consent and some about updating your information with us. Please do read and send back everything you receive.

Positive Lifestyles

Year 3 pupils visited Valley Parade this week, to learn how to stay healthy. The pupils returned enthused and with lots of handouts. Please ask them about the things they learnt.

Why not talk to your child about joining one of our After School Clubs? We are introducing new ones next half term. It is hoped that the children will develop their co-operation and resilience.

Attending After School Clubs

Please support school in promoting positive behaviour.

Children who receive 5Ws will miss their club. It is a consequence that the children really don't want.

We are starting rewarding excellent conduct around school. A half termly draw will be held and a child from each class will have lunch at Pizza Hut.
