

HOMWORK EXPECTATIONS

The purpose of homework at Ryecroft Primary Academy is to provide stimulating and worthwhile activities that reinforce the learning that is happening in the classroom. Children should be able to complete activities independently.

Non-negotiables:

- Homework should be sent home every week.
- Homework from the previous week, should be marked.
- Homework should be broadly similar for the whole class, however please use your professional judgement to provide work that is achievable independently for each child.
- Year group homework should be the same.
- Please ensure that there are supporting documents in the homework pack (number/times table squares/alphabet mat/key words/year group spellings etc).
- If your books are changed on the same day each week, please provide this information in the 'Reading' section on the homework info sheet.

What am I required to send home?

	Reading	English/Spelling	Maths
Early Years	Reading book	Phonics pack Talk/write activity	Talk/write activity
KS1	Reading book	Spellings using school format	Y1: Number activity Y2: Times tables
KS2	Reading book	Spellings using school format	Times tables activity
