Polite notices

Road Safety

Safety is our priority. We have spoken to Bradford Council and local Councillors about the traffic Problems outside school. Please do not park on the zig zag or drive on to the grassed areas.

Smoking and Vaping

Please remember that we do not allow any smoking on the school premises.

Good News Letters

As a school we write 'White Warning Letters' to notify parents/guardians about negative behavior in school. We have started to now write 'Sunshine Letters' home to praise children who go above and beyond what is expected. If your child brings one home, please use it as an opportunity to discuss why they have received it.

Attendance is important

After half term Mrs Pearson will introduce a termly raffle for Children who get 100% attendance each week. Each week Mrs Tolan will issue raffle tickets to each child with the perfect attendance and they will then enter a prize draw.

The best attending class for the term will win a trip out.
